

Cycling - Guided Road Bike Tour

Join our road cycling experience! On two selected days during the WCSG2026, you'll have the chance to take part in a guided road bike tour led by knowledgeable local cyclists.

There will be two pace groups:

- Fast pace (approx. 30–31 km/h average)
- Medium pace (approx. 26–28 km/h average)

The routes will take you through the scenic landscapes around Frederikshavn. Please note: roads will not be closed off to traffic, and this is not a competitive race. The two tours will vary in length – approximately 60–80 km each day.

The tours are open to all participants registered for a sport or registered under "Cycling – Guided Road Bike Tour."

Price: €20

Please note: You must also be registered as an "Accompanying Individual" (€75).
