The participants registration

Registration of a participant:

6. Fill out all fields related to the participant.

- First, register the person in charge of the club or company by checking the box « **Person in charge of the Club/Company** ».
- If you want to provide different information, you can select « **personal / other specification** ».

7. Click on >> **Approve the member** <<.

8. Select the sports and options for your member:

- Based on the sport or activity previously selected, several disciplines and options will appear in the form step 2/2.
- Choose the options in the left section and click « **Add** ». In the right section, you will see the selected disciplines and options.

9. Options are saved automatically. When step 2/2 is completed, the participant is registered for WCSG26.

10. Repeat steps 6 – 9 to register all your participants

Participant recap

On the page >> **Registration recap** <<, you will find a list of all members who are now registered for WCSG 2026.

[illegible]

Need any further help?

Be aware of the following

- When registering a team, you must add each participant to the team discipline. The platform will automatically group participants into a team as long as they are registered under the same team discipline.
- Each email address must be unique and personal to the participant, as it will be used to send a personalized web-based app containing transportation tickets, food vouchers, the program, results, and additional information.
